

### **Mansfield State School Amateur Swimming Club**

The Mansfield Muddies swimming club is an important part of the school community and is an active sub-committee of the P&C. The club aims to provide a supportive and encouraging environment for children to learn to swim, train and to compete. We value the achievements of all swimmers regardless of level or ability. Our swimmers come from all levels of the school from prep through to high school and we are always happy to welcome new members.

### **Swim School**

The club operates a swim school that caters for all swimming abilities from babies through to senior squad. Lessons are conducted every day after school as well as Saturday mornings. We also provide before school squad training three mornings per week.

For more information please refer to our website ([www.mansfieldmuddies.com.au](http://www.mansfieldmuddies.com.au)) or contact our training coordinator by email at [training@mansfieldmuddies.com.au](mailto:training@mansfieldmuddies.com.au)

### **Club Nights**

Every Wednesday night in Term 1 and Term 4 the pool comes alive with over 100 children competing in our club nights. Heats are sorted by times rather than ages so the heats are always close, regardless of ability.

It's a great way to see the improvement gained through regular training and it's a lot of fun too.

### **Carnivals**

Four times per year we get together as a club and take on other swimming clubs in the area in our interclub carnivals. This provides the opportunity for our swimmers to don the maroon and gold and represent the club in what are always exciting and competitive meets.

### **More Information**

For more information about our club, please refer to our website at [www.mansfieldmuddies.com.au](http://www.mansfieldmuddies.com.au)
